Faith Regional Health Services  
Employee Satisfaction Committee

Here are just a few of the reasons why employees  
feel Faith Regional Health Services is a better  
place to work:

- EHR
- CPOE
- Upgraded equipment in the Bed tower
- Computerized entire chart for easy access
- Monitors located in patient rooms
- Bedside reporting

**Congratulations on your IT vision and strategy!**

Faith Regional is developing a regional IT network with community hospitals in Northeast Nebraska.

Quammen's unique approach to comprehensive and rapid EHR deployment enhances  
productivity, clinical decision-making, patient safety and employee satisfaction!
